Kimball Group is conducting classes on **Data Warehouse Life Cycle in Depth** in this coming December,09.

DWLD workshop will starts from 1st dec to 4th dec at San Francisco, CA, course cost is pretty expensive, its really really worth though.

Check out the course outline <http://www.kimballgroup.com/html/kucourseDWLD.html> and pricing polices <http://www.kimballgroup.com/html/kupricing.html>
